WOMEN INSPIRING WOMEN EVENT

The Women Inspiring Women is an annual event since 2021. The purpose of hosting the event is to celebrate women and their achievements. We want to connect like-minded individuals to foster a sense of community among women. We aim to create a platform that informs and enables women to gain perspective, become more motivated and get into a healthier state of mind. We want them to feel empowered and inspired by our speakers and event hosts while also building relationships, network and socialize at the event, among each other.

We focus the event on engaging topics in the spheres of leadership, entrepreneurship, social challenges, health and wellness among others. Our aim is to inspire and create dialogues that speak to South African women.

We want to break the barriers women face on a daily basis and have a variety of speakers from different industries and walks of life that present on topics that are relevant to discussion such as: the multiple roles women undertake in society and the community; transformation, empowerment, mental health concerns, sexuality, vulnerabilities, health and wellness, beauty, fashion, finance, relationships, marriage, divorce and separation, motherhood, self image, self-love, parenting, abuse, gender-based violence and lawful advice.

WHY ATTEND

The event fosters collaboration and inspires attendees in their personal and professional capacities. Attendees experience a sense of community and support, vital for career, business, leadership, professional development and personal growth. Through these interactions at the event, attendees build lasting connections that enrich their professional and personal lives as it is a unique space for sharing ideas and experiences.

Attendees can expect networking opportunities and gain insights from industry leaders and peers through practical skills and knowledge shared by our speakers. There are also speaker opportunities and sponsorship opportunities for individuals and businesses. Exhibition stands are also available with social media exposure on our growing Women Inspiring Women Facebook page for marketing and engagement purposes.

Meet women in leadership, inspirational speakers and life coaches to gain insight.

Network with peers and find mentors. We deliver exclusive insight from knowledgeable speakers.

We offer networking opportunities but also provide a platform for personal and professional growth.

BECOME A SPONSOR

Become a sponsor at this year's event. Discover opportunities, vendors and enjoy networking with participating organizers and individuals that support women in business. At our 2023 event held at The Capital Hotel, Menlyn Main in Pretoria, we had 300 attendees, exhibitors and sponsors including MSP Beauty, MSP Travel, Gaba's Exotic Scents, Twinself Maternity For Hire, Vusasa Event, Sinahs Exquisite Cakes, Al Arabian Oud Perfumes, GM Anchor Group and Telise Cosmetics.

Connect with entrepreneurs and be part of a woman-led network and discover new ways of doing business, attract potential customers and generate new leads. Our community will enable your organization to find collaborators and partnerships.

Our event speakers included Norman Mngoma, Founder and owner of Suitably Norma; Razia Adam, Mining Business Woman, Exec Geologist Property Investor, farming investor and petroleum expert; Funny Chef; SR Gabaiphiwe Vena, Ceo of Gaba Exotic Scents and Balm of Wellness and DJ Magabe Magabaza, Marriage and relationship Therapist. Our entertainment line up included DJ Norman, DJ Young, DJ Tshwarelo, DJ Executive Diver and poetry by Venda Boy.
